

Honey Lemonaid

featuring Orland's pure honey

INGREDIENTS

- 4 - 6 medium sized lemons
- $\frac{3}{4}$ cup of Orland's Pure Honey
- 4 cups of water

DIRECTIONS

Juice lemons until you have 1 cup of fresh lemon juice. Warm $\frac{1}{2}$ cup of water and dissolve $\frac{3}{4}$ cup of honey in it. In a large pitcher, mix lemon juice, honey-water mixture, and 3 $\frac{1}{2}$ cups of cold water. Taste mixture. If it needs to be sweeter, add more honey until it reaches your desired sweetness. Chill in the fridge. When it is ready to serve, drink over ice. Enjoy!
